<p>An open mind, willingness to try new experiences. The workshop is both holistic [mind/body/spirit] and dynamic [both passive and active aspects of mindful living]. It includes gentle "mindful movement" exercises so if you have a mobility problem, you should consult with the tutor [via <a href="http://www.sunflower-health.com/healing.htm">www.sunflower-health.com/healing.htm</a>] before joining.</p>			
<b>Course, including aims:</b>			
<p>Would you like a calmer mind, less stress and more success? This 21<sup>st</sup> Century, secular &amp; scientific update of the ancient Buddhist art of Mindfulness has taken the world of health and wellbeing by storm and is spreading into all walks of life as a lifeskill that harnesses the natural power of your mind, body, spirit and emotions.</p> <p>Mindfulness is the ultimate way to reduce stress, explore your inner world and open the door to inner peace, creativity and insight - a mind-body-emotions awareness based approach that helps people change the way they think and feel about their experiences - especially stressful, frustrating or miserable experiences.</p> <p>Whether you want to learn new techniques for coping with stress in the workplace or at home, manage anxiety or depression or improve your concentration, energy levels, career prospects and enjoyment of life, Mindfulness brings a fresh approach to your stuck situations.</p>
